The annual statistics covering my operations in the Baltimore Conference are as follows: Local preachers, 2; members, 32; infants baptized, 13; Sunday-schools, 2; superintendents, 8; teachers, 16; scholars, 178; volumes in library, 210." The Missionary Report for 1873 furnishes no other statistics of the German work, but the secretary prefaces the reports from the superintendents (under date

of June 1) with the remark that "a very important question will be agitated at the next General Conference (May, 1874)—that of erecting the Germans into a separate Conference." A German paper for the members in this field is published by the Methodist Episcopal Church, South, under the editorial guidance of the Rev. J. A. B. Ahrens, at New Orleans, Louisiana.
